Final Order

RE: Formal Complaint 15FC:0038, filed by Richard Knowles and concerning the Crawford County Memorial Hospital (CCMH).

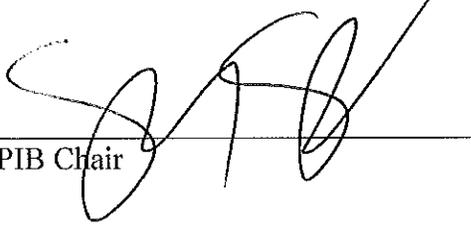

This matter comes before the Iowa Public Information Board (IPIB) this 21st day of July, 2016, for an injunction hearing pursuant to Iowa Code sections 22.8 and 23.5(3) and a probable cause review pursuant to Iowa Code section 23.10(1).

The IPIB ruled that the records identifying the names of volunteers associated with CCMH are public records at a hearing on June 16, 2016.

The records at issue were released by CCMH on July 19, 2016. As a result, the request for an injunction has been rendered a moot issue.

Based upon the release of the disputed records, the IPIB accepts the recommendations of the amended probable cause report dated July 20, 2016, and dismisses this complaint.

So ordered this 21st day of July, 2016.
